and part or the alterent with or proposed the property of the

men at 1. will be seen that his seat in the senate was an expensive affair. Some same for ten thousand dollars, on easy terms, say one-half cash and the ballance in six and it waive months, with inlatest. As for B. F. Rice, he is a weak senatorial reed, even to the weak and helpless State of Arkansas. His total layiestive experience up to the time he emerced the senate, consisted of having served one term in the Kestucky legislation for the Kentucky legislations for the United States senate! It is smeetimated distance only can step (three feet, if the logs are not too lone). The Rev. W. M. Taut. sh estimated distance only one step (three left, if the legs are not too long.) from the amblime to the ridiculous, but in this instance Rico has estainly reversed the proposition and gone from the ridiculous to the sublime at a less. From the Kentucky legislature to the United States seeme revers! I have not.

Georgia is the Empire State of the South and ought to be well represented in the senate, and after seven long years of contest with the curpet baggers, jobbers and robbers, she has now upon the floor, yesthe first time signs the war, two Section state since the second of the second first time in ten years, Georgia is fully represented in compress. Both Norwood and Hill are men of good character. Hill was a member of congress before the war,

Western Virginia, a fractional mother of presidents, is represented by Mesars. Boreman and Davis. The most remarks, commended with their history is ble event connected with their history is the fact that they were both born the same pear to be known, and a few others.

Pannylvania. Boreman's ante-wariegislative experience consisted in having been Tweed was in con-

a member of the lower hydren of the vir-ginia house of delegates, while Davis had no legislative experience at all, except what a railroad de, of agency would give him, until the war owne up, and com-menced its work of making great men out Of Texas not much can be expected, and those who have the sagacity to expect little will not be disappointed. She is zepresented by Mosara, Fianagan and Hamiltonian the control of the chief defections the control of the chief defections to the control of the chief defections to the chief defection to the ch

ompany, on the second floor of McAl-nont's drug slore, was completely burned ut, si a loss of about \$800. The Journal made its appearance as usual this morning, though in a reduced

form. Their power-press, engine and fix-tures were destroyed, but the small presses and type were saved.

A number of parties occupied offices in the various buildings, and all lost some-THE REFORM BEGUN. The First Step in the Civil Service Reform

Lately Instituted. retary of the treasury to-day addressed the following letter to all collectors of customs throughout the United States:

OFFICE SECRETARY OF THE TREASURY, Washington, Decimber 29, 1871. }
Sur—The rules in regard to appointment, prepared by commissioners on civil service and approved by the Presi-dent, will take effect on Monday next, n and after that day appointments and promotions in your office will be made in accordance with those rules as far as pracwas a memour of congress before the war, and was the only one of the delegation who refused to withdraw and go into the grebellion.

As for Florida, neither of has anators ever had any experience in public life until the commutation following the war threw them to the surface, and a fortunate eddy floated them into the sensit. Obtain the war was a captain of actillery. Gilbert is from New Yers, and during the war the war "for the benefit of his health." A good many others, since the war, have deme the same thing—gone south for health; can't stend the northern climate, you know; but I notice that a number of them get back as far north as this city, and menage to wiggle through a few severe washington whaters.

EXECUTOR.

Another fraud in the tag commissioner's office has been brought to high. The tag.

Restricky is well represented—that is, safe has been brought to high. The tag.

Safe has need of ability and character as her servalts. Both Stevenson and Davis her servalts. Both Stevenson and Davis affidavit, the amount paid the city being the form that also.

Tweed's hiding place does not yet appear to be known, except to the sheriff and a few others.

Tweed was in communication with the sheriff on Thursday, and it is said that inters were sent by him to members of the Tammany general committee, urging them to be present the asme night at the meeting which he had directed to be consider the re-organization of Tammany. This statement however appears improbable.

Chicago, December 23.—The special grand jury impannelied to investigate the common council, made a partial presentment to-day. They found bills of indictment against Alderman Modfrath and Giade, and also against ex-alderman Montrom-and also against ex-alderman Montrom-and also against ex-alderman indicted that they put under heavy bonds. Corn and Cotton Planter.

STATE-RIGHTS FOR SALE.

D. ALTMAN'S PATENT CORN AND COTTON PLANTER is on exhibition at the Whitemore House, and the patentee would be piessed to have the public call and examine its merits. He will remain only a few days. State-rights of this patent are for sale. This patent is the invention of a Tennessean. It is composed of wrought-fron, is high: and durable, and can be worked with one horse. It makes the ridge, opens it, plants he cotton separate, seed by seed, and then covers it. This macrime has rise attached an apparatus for manuring, which is done when the seed is pianted. By a simple change in the springs of the machine, it will plant form with equal facility. MONETARY AND FINANCIAL MATTERS. NEW YORK.

THE MATHUSHEK PIANO!

we rking a Revolution in the minds of Musical Critics. Enquestionably, requisites in a Piane are VOLUME and QUALITY OF TONE, and DU-RABILITY. The Bathushek is constructed on new principles. in uring beyond all question, GENATER DURASILITY, its STRINGS, ON AB AVERADE, ARE LOSGER than in other makes, thus idualing greater volume of Tone. The registers are spisudially balanced, the tones are SICH, MELODIOUS, MAGNII it gives forth no thin, wiry, bumble-bee tones. Its compass of power is a derini. It can THUNDER and WHISPER with equally pleasing effect. isudidly balanced, the tones are BICH, MELODIOUS, MAGNIFICENT-
